

THE ONPATIENT REGISTRATION PROCESS

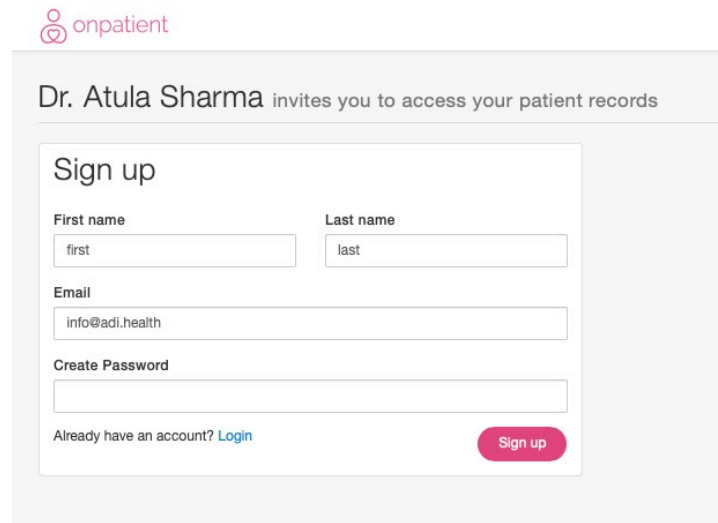

Step 1: Look for an email from onpatient in your inbox. If you do not see it in your inbox, check all mail and/or spam.

Step 2: Open the email and click on “Sign up now.” You will be redirected to onpatient to create an account if you don’t already have one.

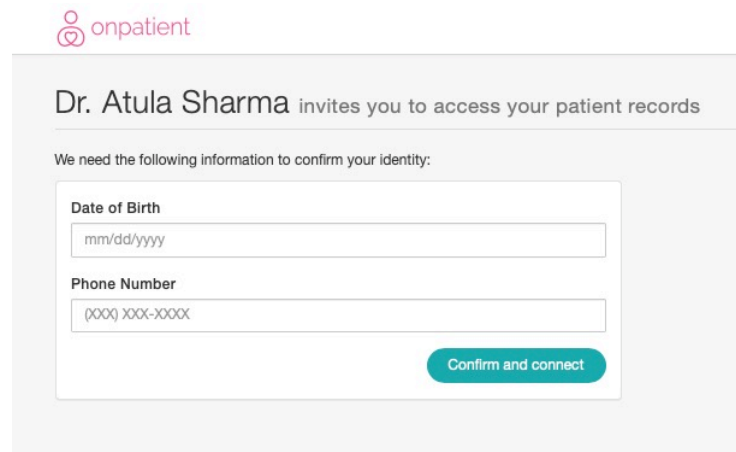

Step 3: When you arrive to onpatient, fill out the form to create your account. If you have an account, log in.

The screenshot shows the onpatient logo at the top left. Below it, a header reads "Dr. Atula Sharma invites you to access your patient records". The main content is a "Sign up" form with the following fields: "First name" (with "first" as a placeholder), "Last name" (with "last" as a placeholder), "Email" (with "info@adi.health" as a placeholder), and "Create Password". At the bottom left of the form, there is a link: "Already have an account? [Login](#)". At the bottom right, there is a pink "Sign up" button.

Step 4: You will need to confirm your identity to finalize your registration process. Please use the phone number that you provided the office with when you submitted a new patient request.

The screenshot shows the onpatient logo at the top left. Below it, a header reads "Dr. Atula Sharma invites you to access your patient records". The main content is a form titled "We need the following information to confirm your identity:". The form has two input fields: "Date of Birth" (with a placeholder "mm/dd/yyyy") and "Phone Number" (with a placeholder "(xxx) xxx-xxxx"). At the bottom right of the form, there is a teal "Confirm and connect" button.

Once you confirm this information, you will be connected to your patient portal and will arrive at the Appointments Dashboard. Please refer to the "Onpatient Check-in Process" document for more information on how to check-in and submit the required information for your appointment.
